

Sushrutha Ayurvedic medical college and hospital bangalore

Report of Swatch Bharat Pakhwada Programme

Date - 31/05/23

Venue - Sushrutha college campus

Time - 10.30am - 1pm

As per the circular received from the RGUHS bangalore, NSS wing and Department of Swasthavritta of Sushrutha Ayurvedic medical College and Hospital bangalore organized a programme on Swatch Bharat Pakhwada to ensure plastic free clean campus.

The program started with the inauguration by Dr Sanghamitra Patnaik principal of Sushrutha Ayurvedic medical college bangalore who also highlighted about the importance of cleanliness in the presence of teaching and non teaching staff of the college.

Around 70 students of 1st year BAMS had assembled and they were distributed with trash covers and disposable gloves and other safety instructions were given. Cleaning was done in and around the campus with the coordination of Dr Swathi somayaji, Dr Sandeep, Dr Raksha and Dr Nischal.

Around 15-20 trash bags were collected and disposed according to the disposal system of the organization. Programme was concluded with a small refreshment.
