

## **Sushrutha Ayurvedic Medical College and Hospital bangalore**

### **Report of Blood donation camp**

**Date** - 15/06/23

**Venue** - Samskriti Bhavan

**Time** - 10.00am - 5pm

NSS wing of Sushrutha Ayurvedic Medical College and Hospital in collaboration with S-VYASA, deemed to be University, conducted a blood camp in the college campus organized by Narayana Hridayalaya bangalore.

The program was started with the inauguration by Dr. Sanghamitra patnaik principal Sushrutha Ayurvedic Medical College and Hospital bangalore with the other teaching and non teaching staff of the college.

Camp was started with distribution of blood donation forms, recording of body weight and hemoglobin percentage of donors by the lab technicians of Narayana Hridayalaya. Around 140 members were screened, out of which 40 were rejected due to less body weight and low hemoglobin percentage. Total 100 members were donated blood without any complication. Individual technician was allotted for each participant to monitor the vitals and at the end blood donation certificates were distributed to the donors. At the end small refreshment was given to all the donors.

The entire camp was successfully coordinated by Dr Swathi M Somayaji, Dr Raksha , Dr Nischal NSS coordinators SAMC&H and Shri Kiran kumar NS from S-VYASA university.
